

Outrageous Coconut Cake

Ingredients:

- 1 pkg. white cake mix
- 1 can sweetened condensed milk
- 1 can of cream of coconut or coconut milk
- 1 sm pkg. flake coconut
- 1 container of cool whip or 1 container whipped heavy cream

Directions:

- Bake cake according to instructions, in a 9" X 13" pan.
- While cake is baking, mix condensed milk and coconut milk together. Set aside.
- When cake comes out of oven, cool slightly, and then poke holes in cake.
- Slowly, pour and spread the combined milks over cake. (It will seep into the holes). Cover well and refrigerate overnight.
- Spread cool whip or whip cream over cake and sprinkle with flaked coconut.
